

Name	School	Research Focus
<u>Jonathan Adams</u> jladams@fsu.edu	Communication	Online and Distance Learning Systems; Interactive Software Design and Development; Website Usability and Design; Entrepreneurship and Business Development
<u>Laura Arpan</u> larpan@fsu.edu	Communication	Attitudes and Persuasions; Message Processing and Effects, Especially Environmental and Health Campaign Messages; Perceptions of Bias
<u>Malia Bruker</u> malia.bruker@cci.fsu.edu	Communication	Documentary History, Theory & Production; Experimental Film; Animation; Social Justice Media
<u>Sindy Chapa</u> sindy.chapa@cci.fsu.edu	Communication	Hispanic Consumers and Advertising Targeting Specific and Multi--ethnic groups; Political Advertising; Gender and Stereotypes; Strategic Communication, Emotions and Cognition
<u>Russel Clayton</u> rclayton@fsu.edu	Communication	Media Psychology; Cognition and Emotion; Message Processing and Effects, Especially Health Campaign Messages; Social Media and Mobile Technology use
<u>Juliann Cortese</u> jcortese@fsu.edu	Communication	eHealth; Health Informatics; Online Tailoring; Media Use and Effects; Hypermedia Learning; Internet Use
<u>Brian Graves</u> Brian.Graves@cci.fsu.edu	Communication	Attitudes and Persuasions; Message Processing and Effects, Especially Environmental and Health Campaign Messages; Perceptions of Bias
<u>Summer Harlow</u> Summer.Harlow@cci.fsu.edu	Communication	Digital/social media; alternative media and journalism; international media; social movements, activism, and social justice issues; Latin America
<u>Gary Heald</u> gheald@fsu.edu	Communication	Health Communication, social marketing, Public health, international development, communication and information system
<u>Jinghui (Jove) Hou</u> jhou@fsu.edu	Communication	Psychology of Computer-Mediated Communication and Human Computer Interaction; Health Communication; Communication Technology Design; Decision-making Process
<u>Davis W. Houck</u> dhouck@fsu.edu	Communication	Rhetorical Criticism; Presidential Rhetoric; the Black Freedom Movement; Historiography and Archival Research; Mediated Representations of Sport
<u>Felecia Jordan</u> fjordan@fsu.edu	Communication	Interpersonal Communication; Verbal Aggression; Birth Order and Relational Development; Interracial Communication: Trait--like Cultural Communication; Perceptions and Effects on Relationships Development
<u>Jaejin Lee</u> jaejin.lee@cci.fsu.edu	Communication	Consumer Behavior; Branding, Strategic Marketing Communications; Cause--related Marketing; Social Marketing, New Media; Health Communication
<u>Mia Lustria</u> mia.lustria@cci.fsu.edu	Communication/Library and Information Studies	Consumer Health informatics; Health Literacy; Information Seeking; Information and Communication Technologies; Health Communication, Health Behavior Change; Tailoring, Computer--Mediated Communication; Social Media; Scholarly Communication; Interactivity; Participatory Approaches; User--Centered Design; Information Architecture; IT Adoption; Information Literacy; 21 st Century Skills Development
<u>Stephen R. MacNamara</u> smacnamara@fsu.edu	Communication	Mass Media Law; Political Communication and Messaging; Speechwriting; Public Relations; Communication Policies

<u>Stephen McDowell</u> steve.mcdowell@cci.fsu.edu	Communication	Media Policy; New Media; International Communication; Internet Governance; South Asian Media; Intercultural Communication
<u>Patrick Merle</u> patrick.merle@cci.fsu.edu	Communication patrickmerle.com	Public Relations; Political Communication; Comparative Politics and Media Systems; International Communication; Media Effects
<u>Donna Marie Nudd</u> dmnudd@fsu.edu	Communication	Radical Performance; Adaptation (film, theatre, radio); Feminist Criticism; Pedagogy
<u>Andrew Opel</u> aopel@fsu.edu	Communication www.andyopel.net	Documentary History, Theory and Production; Environmental Communication Campaigns; Connections Between the Environment, the Media and Consumer Culture
<u>Jennifer Proffitt</u> jproffitt@fsu.edu	Communication jproffitt.cci.fsu.edu	Political Economy of Communications; Media Industries and Production Processes; Mass Communication History and Regulation; Media Law and Policy; Democratic Communications
<u>Arthur Raney</u> araney@fsu.edu	Communication	Media Psychology; Entertainment Theory; Media and Morality; Media Effects; Entertainment Media Audiences; Sports Media Audiences
<u>Jay Rayburn</u> jrayburn@fsu.edu	Communication	Media Uses and Gratifications; Effects of New Technologies; Public Relations "Effects"
<u>Ulla Sypher</u> usypher@fsu.edu	Communication	Uses and Effects of Internet Technology including Digital Divide, Digital Literacy, and Social Media; Use of Geographic Information Systems (GIS) as a Research Tool
<u>Mark Zeigler</u> mzeigler@fsu.edu	Communication	Oral communication, Teaching, Communication and grief, Voice, Theatre, Communication Theory

Name	School	Research Focus
Warren Allen warren.allen@cci.fsu.edu	iSchool	Sociotechnical Study of Social Media Use; Collaboration and Knowledge Management Systems; Coordination of Hybrid-Economic - Knowledge and Production and Exchange
Gary Burnett gburnett@fsu.edu	iSchool	Social Context of Information Behavior; Theory of Information Worlds; Hermeneutics and Textuality
Kathleen Burnett kburnett@fsu.edu	iSchool	Social Informatics; Gender, Race, and Ethnicity and IT; Disciplinary Identity
Nancy Everhart everhart@fsu.edu	iSchool	Impact of Technology on the Leadership Role of the School Librarian; Evaluation of School Media Library Centers; Persons with Autism in Libraries
Melissa Gross mgross@fsu.edu	iSchool	Information Seeking Behavior; Information Literacy; Library Program and Service Evaluation; Information Resources for Youths
Zhe He zhe.he@cci.fsu.edu	iSchool	Biomedical and Health Informatics; Clinical Research Informatics; Controlled Vocabulary; Biomedical Ontologies; Semantic Web; Data Mining; Visual Analytics
Lynne C. Hinnant lhinnant@fsu.edu	iSchool	Public and Conflict Management; Civil Society and Organizational Behavior; Normative Social Theory
Chris Hinnant chinnant@fsu.edu	iSchool	Social and Organizational Informatics; Digital Government; Information Policy; Technological Innovation; Science and Technology Management
Shuyuan Mary Ho smho@fsu.edu	iSchool	Trusted Human--Computer Interactions; Cyber Insider Threats; Sociotechnical Systems; Online Games for Research; Language Deception; Information Use and Seeking Behavior; Dyadic Attribution Model; Computational Modeling for Complex Trust and Online Deception
Michelle Kazmer mkazmer@fsu.edu	iSchool	Online Communities, Online Social Worlds; e-Learning; Distributed Knowledge Processes.
Kyunghye Kim kim.kyunghye@cci.fsu.edu	iSchool	Information Seeking Behaviors of Web Users; Usability of Digital Libraries and Academic Library Websites; and Metacognition in Information Searching; and Health Information Literacy are Foci of her Research/Teaching Interests.
Don Latham don.latham@cci.fsu.edu	iSchool	Information Needs of Young Adults; Information Literacy
Mia Lustria mia.lustria@cci.fsu.edu	iSchool	Consumer Health Informatics; Health Literacy; Information Seeking; Information and Communication Technologies; Health Communication, Health Behavior Change; Tailoring, Computer-Mediated Communication; Social Media; Scholarly Communication; Interactivity; Participatory Approaches; User-Centered Design; Information Architecture; IT Adoption; Information Literacy; 21 st Century Skills Development
Marcia A. Mardis marcia.mardis@cci.fsu.edu	iSchool	School Libraries; Digital Libraries: Broadband: Distributed Collaboration
Paul Marty marty@fsu.edu	iSchool	Museum Informatics; Information Behavior; Museums and Cultural Heritage Organizations

<p><u>Charles R. McClure</u> cmclure@lis.fsu.edu</p>	<p>iSchool</p>	<p>Planning and Evaluation of Information Services and Technology Including the Development of E-Metrics and Performance Measures; Public Library Management and Services; Federal Information Policy, E-Government, Broadband and IT Workforce Impacts; Federal Web-Based Services and Transactions</p>
<p><u>Lorri Mon</u> lorraine.mon@cci.fsu.edu</p>	<p>iSchool</p>	<p>Government Information; E-Government; Digital Libraries; Social Media; Virtual Worlds; Virtual Information Services</p>
<p><u>Sanghee Oh</u> shoh@cci.fsu.edu</p>	<p>iSchool</p>	<p>Social Informatics; Health Information Behaviors; Health Informatics; Human Information Interaction (HII); Human Computer Interaction (HCI); Usability Evaluation; Digital Libraries</p>
<p><u>Ebrahim Randeree</u> ebe.randeree@cci.fsu.edu</p>	<p>iSchool</p>	<p>Innovation Adoption and Diffusion; Outsourcing; Information Assurance; Strategic Information Technology; and Knowledge Management with a Focus on the Healthcare Arena</p>
<p><u>Besiki Stvilia</u> bstvilia@fsu.edu</p>	<p>iSchool</p>	<p>Data Quality; Data Curation; Collaborative Work Organization' Knowledge Organization; Social Informatics</p>
<p><u>Richard Urban</u> rurban@fsu.edu</p>	<p>iSchool</p>	<p>Museum and Cultural Heritage Informatics; Metadata; Semantic Web; Linked Open Data for Libraries, Archives, and Museums (LODLAM)</p>

Name	School	Research Focus
<p>Hugh Catts Hugh.catts@cci.fsu.edu</p>	<p>Communication Science and Disorders</p>	<p>Language/Literacy and Reading Disorders Early Identification and Prevention of Language-Based Reading Disabilities</p>
<p>Erin Ingalson erin.ingvalson@cci.fsu.edu</p>	<p>Communication Science and Disorders</p>	<p>Speech Perception & Speech Learning Individual Differences, Adverse Listening Situations, Working Memory.</p>
